BOOTH REGULATIONS AND ATTENDANTS

Exhibits or displays must not obstruct the view or interfere with the displays of neighboring exhibits. Excessive audible/visual attention-getting devices or effects and offensive odors are prohibited. Sound effects are discouraged due to the intimate nature of the exhibit area. No copyrighted recorded or live music may be played or performed during the Exhibition Hours.

ETHICAL CONSIDERATIONS

Exhibitor shall not offer gifts to physicians individually unless such gifts primarily entail a benefit to patients and are not of substantial value. Textbooks and other gifts are appropriate only if they serve a genuine educational function. Cash payments may not be offered to physicians. Individual gifts of minimal value are permissible as long as they relate to the physician’s work (e.g., pens and notepads). The SNO name and/or logo may not be part of any Exhibitor-distributed materials.

COMPLIANCE WITH ALL APPLICABLE LAWS

SNO supports the Americans with Disabilities Act of 1990. Exhibitors should follow the ADA guidelines relating to their exhibit space. All applicable fire and safety laws and regulations must be strictly observed by the Exhibitor. In addition, all other laws, including without limitation the laws and regulations of the Federal Food and Drug Administration, must be fully complied with by the Exhibitor.

EMERGENCIES, STRIKES, LABOR COST

SNO will not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions caused by circumstances beyond its control. In the event that the premises in which the conference is conducted shall become, in the sole discretion of SNO, unfit for occupancy, or substantially interfered with by any cause or causes not reasonably within the control of SNO, this agreement may be terminated by SNO. Should SNO terminate this agreement pursuant to the provisions of this paragraph, the Exhibitor waives any and all claims for damages and agrees that SNO may, after computing the total amount refundable to all exhibitors (i.e., the excess of the total of Exhibitors’ deposits held by SNO over SNO’s costs and expenses in connection with its preparation for and conducting of the show, including a reasonable reserve for claims and other contingencies), refund to the Exhibitor, as complete settlement and discharge of all said Exhibitor’s claims and demands, the Exhibitor’s pro-rated amount of the total amount refundable to all exhibitors, based upon the amount of Exhibitor’s deposit relative to the total deposits paid by all Exhibitors.

LIABILITY AND INDEMNIFICATION

The Exhibitor agrees to hold harmless SNO, the conference facility and their employees and agents excluding any such liability caused by the sole negligence of SNO or the convention facility and their employees and agents. SNO and the Exhibitor shall not be liable for any loss or damage resulting from the perils of fire, lightning, windstorm, cyclone, tornado, hail, riot attending a strike, civil commotion, smoke, motor vehicle damage and aircraft damage, nor may the Exhibitor hold liable SNO or the convention facility for such incidents. The Exhibitor acknowledges that it is responsible for obtaining insurance in such amounts as it deems necessary for its own protection during the course of the event, including transit.

SECURITY

SNO does not guarantee Exhibitors against loss and will not be responsible for loss of any material by or for any cause. Each Exhibitor must make provisions for safeguarding of his goods, materials, equipment and display at all times. Industry Satellite Symposium (ISS) Guidelines

INTRODUCTION

The 24th Annual Scientific Meeting and Education Day of the Society for Neuro-Oncology is set for November 21-24, 2019, at the Marriott Hotel Desert Ridge in Phoenix, Arizona. This scientific meeting is a gathering of experts from all disciplines of neuro-oncology and represents a unique opportunity for industry to bring scientific information to these healthcare professionals.

GUIDELINES PURPOSE

These guidelines are designed to streamline your application process to include eligibility, marketing, scheduling and costs.

ELIGIBILITY AND SYMPOSIUM CRITERIA

The organization must:
- Fulfill funding obligations in advance of the meeting (see Financial Considerations)
- Hold SNO harmless from any and all claims that may result from the meeting

The Symposium must:
- Provide high-quality scientific information for healthcare providers
- Offer balanced and objective information
- Provide non-duplicative information from the Annual Meeting scientific abstracts presentations

SCHEDULING AND LOCATION

ISS may not conflict with SNO scientific program activities or organized events. The following time slots have been designated for evening ISS:

5:30 – 7:30 pm (exact time subject to change)

Friday, November 22, 2019
5:30 – 7:30 pm (exact time subject to change)

Please note that up to three satellite sessions may run concurrently during designated ISS time slots.

SNO will designate meeting room space within the conference hotel for use by Satellite providers. Due to space limitations, it is likely that Satellite sessions will take place in the same rooms as SNO’s general sessions. Therefore, Satellite organizers should expect that they will not have access to the space until the times noted on this page and should plan accordingly.

APPLICATION PROCESS

Applications for ISS (Appendix D) must be completed and submitted to SNO. Applications are reviewed by the administrative office and/or the meeting chairs who will approve the program to be held in conjunction with the SNO Annual Meeting.

Applications will be considered on a case-by-case basis as they are received. Applicants are therefore encouraged to submit their ISS application as soon as possible to ensure their slot at the meeting. Applications received after all of the available time slots have been filled will be placed on a waiting list.

PROMOTION/MARKETING

The ISS provider is encouraged to promote and market their symposium to generate attendance. SNO reserves the right to review marketing material in order for the ISS provider to receive:

- A mailing list of SNO members and pre-registration postal addresses
- Listing of symposia on SNO website
- Listing in final program material
- Inclusion of materials in registration bags

All material should contain the following qualifying statement:

“The Society for Neuro-Oncology has reviewed and approved this symposium as appropriate for presentation as an Industry Supported Symposium. The symposium constitutes the content and views of the sponsor and is not part of the official SNO Annual Meeting program.”

GENERAL POLICIES

SNO Logo Use: Educational, investigator, business meetings and social functions planned by exhibitors, commercial firms and other organizations may not make any use of the SNO name or logo, or in any way imply the function is a SNO function, without express permission from SNO.

Independent Educational Planning: SNO, by accepting support from a commercial organization, is not obligated to accept advice or services concerning SNO annual meeting speakers, invitees or other educational matters, including content. Representatives of commercial supporters may attend a SNO educational activity, but may not engage in sales activities while in the room where the activity takes place. The terms, conditions and purposes of the ISS must be documented by a signed Letter of Agreement between the commercial firm, foundation or organization and joint sponsors SNO and SNO’s CME provider. No commercial promotional material shall be displayed or distributed in the same room immediately before, during or immediately after a SNO educational activity certified for CME.

Additional charges: The grant fee for the Symposia does not include any amenities, only use of the room and the draw of the Annual Meeting attendees. All other costs are borne by the ISS providers. All additional audiovisual equipment or technician charges, additional electrical services, telephone, special “decorations”, catering or alterations to the room setup are the sole responsibility of the ISS provider.

FINANCIAL CONSIDERATIONS

There is a $500 nonrefundable application fee that must accompany your application. Upon approval of the Symposium, the provider will be invoiced for an unrestricted educational grant of $30,000. SNO partners at the “Platinum” level are entitled to a $5,000 discount.

Programs cancelled prior to July 1st will be issued a full refund (with the exception of the nonrefundable application fee). For cancellations after July 1st, SNO will retain the educational grant and consider rescheduling the event at a future time.
